### SURVEYORS CERTIFICATION

I hereby certify that this survey was conducted in the field by me and this plat was prepared by me or under my direct supervision. All the monuments indicated on this drawing, do actually exist in the field and are of the material, size and location as called for on this plat. The survey shown and described on this drawing is a Class "B" survey. The information shown hereon is true and correct to the best of my knowledge and belief. This survey was conducted in the field by the method of a random traverse, the mathematical error of closure of the random traverse is 1 foot in 56,212 feet. The bases for the bearings as shown on this drawing is from a survey made by J.G. Banks P.L.S. #3112 on March 10, 1997 of The Glass Paving and Stone, LLC. The bearing being S 31°51'01"W.
